Introduction from the Captain - Mr Alan Bentley

I am writing this my first introduction to the Pinheiros Altos Newsletter only two short weeks into my Captaincy and so much has already happened

It all started with the A.G.M on Thursday 18th and the departure as captain of Michael Collins who will be remembered by all of us for his humour and enthusiasm. Congratulations Michael on a great year, it was a blast working with you and, your special speech writer.

I am pleased to confirm that Andy Georges has been installed as Vice-Captain and I know he will be a great support to me and a fine Captain when his time comes next year.

Also announced was that the lady Captain and I have decided to continue with the Salvation Army and A.C.C.A as our selected Charities and we have re-introduced the Jar on the Bar as one way to help support these worthy causes

Despite threats of thunder and lightning, both Debbie and I managed to get our drives away, so many thanks to all that turned out to watch. Thank you to those who provided the delicious nibbles and well done to those that grabbed a prize many donated by our friends at Blevins Franks

After 18 holes of golf, I was very pleased to host the Past Captains lunch where there was a very constructive discussion concerning the handicap of the winning golfer Mr Graeme Thomson. I am also pleased to advise, that my three invited guests Mr Walker, Mr Black and their Pal Johnnie helped greatly to facilitate that debate.

The Spring Medal was held on the same day and very well done to Joanna Young who emerged victorious.

As always, the Easter scramble was very well attended with many dressing to reflect the occasion. Plenty of yellow hats and Shirts and a fair smattering of Chicks, eggs and Easter bunnies

So many prizes to hand out and much good humour it really does speak to the very special nature of our club and the large number of events organised each year

The APPA stableford day and dinner were a great success with Sue Russel claiming the spoils and with me in fourth place. I was trying really hard to emulate our outgoing Captain who won this event last year but alas it was not to be

The Stroke play Championship was also held this month with some really great scores and very close competition, all ending with Dan Henderson being crowned Club Champion and Florence Mourgue D'Algue Ladies Champion

Finally, I am really looking forward to this my Captains year. Now, bring on the Ben Hogan and Oh yes don't forget Captains day is only a few short weeks away on the 8th June.

Director of Golf - Monthly Report

April was a busy month for the Members and the Club with the Golf AGM and all the Easter activities.

On 18th April we had our annual general meeting at which the out-going Captain Mr. Michael Collins reviewed his year which I must congratulate on even that he did keep the wooden spoon for the men and lost the Ben Hogan Challenge to Quinta do Lago. His losing speech at each of these events made us all feel like winners. He has been a master of the speeches even though I was told Wendy was responsible for that.

Congratulations to our out-going Captain on a Fabulous year! I would like to wish our new Captain Alan Bentley a fantastic year in office and the same goes to the new Lady Captain Debbie Madgett who took over her role a few days earlier at the Ladies AGM which I also attended only to see how much more organized the Ladies are.

I did my report at the AGM which was quite extensive and I have been asked to publish it which I decided to do so in a bullet point and it is posted at the end of this newsletter.

I would also like to welcome Andy & Sue Georges as the new vice Captains and I am sure that their golf experience will be a bonus to the committee.

On both these AGM the respective in coming Captains Debbie & Alan organized their lunch which were very well attended and supported as well as this year's drive in was on the same days for Lady & Club Captain and to the surprise of all members present they BOTH made us proud.

The Spring Medal was as usual the most attended medal of the year and congratulations to Joanna Young on a Fabulous win with a score of 68. On that same day we also had our Past Captains Challenge and congratulations to Graeme Thomson who took victory but also took a cut of 2 shots on his current handicap. After a long lunch and a few drinks we could say

he took it well even that most of us cannot remember all the discussion that went on. All I can remember is that we managed to cut Graeme's handicap 2 shots!

Lady Captain Debbie Madgett and Club Captain Alan Bentley presenting the prizes to the Past Captains prize winners.

Past Captains

The Easter scramble was well attended with 115 players and 132 for lunch. As usual there was a great atmosphere as we managed a lovely day for it. Congratulations to the winning team David & Zoe Pirret, Ken Irving, Lisa Burns & Dan Henderson.

The PA Owner's tournament was played on 23rd April and saw the golf organizer and committee representative for the APPA section Susan Russell won the Trophy on the day.

On the week end of the 27th & 28th April our Strokeplay Championship was played off the back tees and is always one of the toughest tests of golf. Dan Henderson managed his 4th Club Champion Title , 3 in a row with scores of 74 & 74 while in the Ladies section Florence Mourgue D'Algue had to go into a play-off with Sue Georges who made a fantastic come back on 2nd round however Florence manage on the first play-off hole to become the 2019 Club Champion.

Congratulations to Runner ups Duncan Evans & Sue Georges and also to the nett winners Peter Seabrook & Sally Evans.

The April Stableford saw 2 juniors in the lead with Harry Scriven & Joey Miller Cheevers who took the Juniors' prizes and Neil Bamber won it for the grown-ups. Good to see some youngster in the prizes and in this case 2 of them leading the field.

Some of you might not be aware but when you finish in the top 3 spot of a Monthly Medal or Stableford a voucher will be made available for you in the Golf shop so please when you are in the top 3 spots make sure you pick up your voucher for the Golf shop.

All members should have received an email with the Sunshine Classic Gala Week entry which is a special year this year as it is the 25th Anniversary and we have plenty of surprises and activities for the families. If you have not received an entry form make sure you get one from the Golf Office and enter your team as soon as possible. The entry fee has been reduced as we have a main sponsor for the event through the Real estate Company Waratah.

Also coming very soon is your Captain's Day on 8th June 2019 which you can already sign up for.

Also mentioned in my speech at the AGM the academy shop in partnership with PGA pro Laurent Machiels are launching a totally new and exclusive 3D system to enhance their club fitting faculty which at the moment is limited to Titleist but very soon should include brands such as Honma & XIXS

and have a full range to offer our clients. More information is provided in this newsletter and can be informed with Laurent at the Golf Academy.

I am very sad to announce the loss of our long time PA member and good friend Brian Scott who I will remember for his kindness over the years and friendship. Brian will be sadly missed amongst all the members.

Already we are in May and all looking at our Captains to come up with a team to recover the Ben Hogan Trophy!

Also towards the end of this month make sure you sign in for the Mixed Pairs Match play for the Russell Salver.

I wish you all great golf!

The Winner's Trophy, a Bogey (Par) competition was won by Helen Mills who played to Par, with second place going to Wendy Evans with a score of minus 3. The trophy and prizes were presented at the Ladies AGM along with the Trophy's for the Wainwright Trophy and Plate competitions.

The winners were:

After the AGM this year I did not drive in as it was decided I would drive in with Alan on his drive-in day-however - we had the usual 9 hole fun competition and the results were as follows

1st – Debbie Madgett (oops) Helen Mills, Susan Russell, and Bente Meldgaard who had never won a golf prize before - well done Bente.

2nd – Barbara Fletcher, Chris Sutton, Sue Georges, Kristina Griffith

3rd – Kay Ford, Lubna Cater, Shirley Griffiths, Ineke Goossens

Well done everyone - we then celebrated with a Champagne lunch - perfect day! Thank you

The final charity event of Lisa's year was the Facial and Make Up demonstration by Glynis and Kelly Lindley with Cathy Harper agreeing to be the model for the afternoon. Everyone enjoyed fizz, tea and fabulous scones and cakes all baked by Molly and Jenny Harrison which were delicious!

I would like to thank you for all your good wishes and support for my year as Lady Captain. Lisa was awesome and I won't be that good but will try my best for you all.

I really enjoyed the drive in and despite running to the ladies tee after Alan hit his ball - I was told I had to wait for everyone to

arrive at the tee - nice try - I did manage to hit the ball, knees knocking, and Lise Kristiansen won the prize for nearest flag to my drive.

Competitions

Our April Stableford incorporated the Easter Bonnet competition - hotly contested- and judged by Alan Bentley - Zoe won with a truly stunning creation 2nd was Bernadette Hardie 3rd Melody Cotterill. Well done girls - great efforts!

Social events

On the social front over 20 ladies enjoyed wine tasting and lunch at Vila Vita Parc which I am sure we can all thoroughly recommend. The ladies lunch at Eduardos was very delicious with 15 ladies enjoying a catch up together.

Social events for diary

Tuesday 4th June Charity Fashion show - 3 course lunch and wine Capisce Restaurant Almancil - great fun lunch - husbands, boyfriends and toyboys are allowed at this events - we have already some men who have willingly signed up!

Best wishes and Happy Golfing

Debbie

Report from the Greens Committee

The committee has not met since our April meeting but we have had discussions on course condition and whether we are maintaining the improvements which the management and STRI are looking for in 2019.

Greens.

The greens have been badly hit by “dollar spot” which leaves a round yellow scar on the greens. It is a common disease in the Algarve courses but we must do better to try and prevent and if necessary stop it spreading. It grows out within a few weeks given good growing conditions. Otherwise the greens are firm and put well with perhaps a little too much variation in the Stimp reading?

Tees.

The tees have deteriorated in the last few months but are being fed and sanded and verti cut. The feeding has fallen behind the schedule set by both STRI and that agreed with management.

We hope to see a major improvement in the next few months and we appreciate that the weather has been unusual.

Fairways.

This has always been the biggest challenge for course improvement. STRI recognised that and set a series of improvements which whilst understood have not been entirely possible for a course where the contracts for visiting parties is intensive. Also members expect to play 12 months of the year! Closing the course for maintenance is very difficult and the committee agreed that a “middle way” where the sanding was reduced (to allow normal play) was acceptable.

The plans for feeding the course which has very little effect on play but a great effect on grass growth have not been met. In short for complicated reasons the February/March feed

has not yet taken place but is due to be done this coming week. This has meant that in a period of unusual weather of cool and sometimes hot conditions with very little heavy rain has left the fairways looking very much worse than they were in the period November to end January. We are of course disappointed and hope that the problems of supply will not occur again in the growing season. It will take hard work and good watering and fertilizer to get us “back on track”. I know that Marco our course manager is frustrated as we are. We are satisfied that the problem was not of any fault on the part of Christophe.

Bunkers and paths and trees.

We have linked these subjects together as there is not very much to say. Bunkers are better but still need better raking by green staff and indeed members!

The tree thinning and removal and managing trees to allow better approached to greens is we believe a big success and will continue.

The paths are still awaiting the appointment of the promised full time calcada employee. In places there is an obvious danger from uneven paths to both members and visitors! This is urgent.

We hope in our next report to be able to confirm that we are back on course to the much wanted promised improvements.

We are aware that both Captains wish Gala week to be a big success this year and the golf course condition is a big part of making this happen.

Stewart Harper Chairman,
David Ford,
Duncan Evans.

Social Golf - by Stella Jeffrey

Sunday 14th April 2019 was a milestone in the Social Golf History! A warm and sunny day on which Seventy-Two Smiling Social golfers “waltzed beautifully” around Corks Olives and Olives Pines.

With an additional 7 guests for supper, we took over “the tent” and have decided that next time we need a table plan and a microphone.

It was great to see Oliver, Harry, Max and Campbell playing, although the split of men to ladies is still increasing ... they do help to bring down the average age of the players a little!

Campbell was awarded his bottle of wine, but of course it had to be golf balls for the boys, they have many years to learn how to drink wine.

With so many players we had 5 prizes on each course, we are sure that 40 prizes is also a record.

The “Wonderful Waltzers” were ...

Corks Olives

1st - 83 pts

Neil Sutton, Lisa Burns, Alberto Nicoletti, Andy Watkins

2nd - 81 pts

Sue Georges, Paul Hanby, Barry O'Brien, Brendon Burgen

3rd - 80 pts

Harry Scriven, Knut Pedersen, Lise Kristiansen, Stella Jeffrey

4th - 79 pts

Liam Edwards, Udo Berg, Arnold Lindenau, Elouise Renouard

5th - 79 pts

Tony Hickey, Cyril Griffith, Gabrielle Koch, Mariëd Kooijmans

Olives Pines

1st - 90 pts

Bernd Gorger, Brendan Spokes, Philippa Clancy, Adrienne Buth

2nd - 85 pts

Stephen Nobbs, Campbell Warnock, Cathy Harper, Bernadette Hardie

3rd - 83 pts

Zoe Pirett, Donal O'Huadhagh, David Warnock, Dee Hirst

4th - 80 pts

Max Adams, Molly Wainwright, Wallace Forde, Vera Watkins

5th - 77 pts

Oliver Scriven, Andy Georges, Remo Cherubini, Denise Reed

The **next social will be on Sunday 5th May, “Traffic Lights”** and will be run by Stella Jeffrey and Cathy Harper.

We would also like to let members know in advance that, alongside the social on 2nd June, we will be running an additional **9 hole social competition** teeing off around 14:00 ish to allow anyone who prefers to play just 9 holes but still join in with the 18 hole players for the supper.
